

# The Quick4® Equalizer® 24 HD Chamber

The Quick4 Equalizer 24 HD Chamber was designed to provide exceptional strength when used in heavy duty trench or bed applications. The chamber's enhanced features, which include an increased wall thickness, structural x-ribs and reinforced connection joints, make it one of the strongest Quick4 chambers available today. The Quick4 Equalizer 24 HD Chamber's Contour Swivel Connection permits 15° turns, left or right.

## The Quick4 Equalizer 24 HD Chamber Provides Increased Structural Integrity with These Unique Features:

- Chamber is 28% thicker making it significantly stronger than the original Quick4 Equalizer 24
- Continuous structural x-ribs on the chamber dome and underside corrugations provide extra support
- Additional material used at the inlet and outlet ends of chamber reinforce connection joints
- Thicker bottom corners of the chamber add greater stability
- Reinforced inspection port provides a stronger connection to the pipe
- The Quick4 Equalizer 24 HD Chamber supports wheel loads of 16,000 lbs/ axle with only 12" of cover

## The MultiPort End Cap Offers These Unique Benefits:

- Tear-out seals on inlet ports provide a tight fit to the pipe
- Six molded-in inlets/outlets allow for maximum piping flexibility
- Multiple ports eliminate pipe fittings and make looping ends easy
- MultiPort end cap fits on either end of the Quick4 Equalizer 24 HD Chamber

**Note:** The Quick4 Equalizer 24 HD chamber has the same dimensions and storage capacity as Quick4 Equalizer 24 chamber.

Size (W x L x H) .....	16" x 53" x 11" (41 cm x 135 cm x 28 cm)	Storage Capacity .....	20.8 gal (79 L)
Effective Length .....	48" (122 cm)	Invert Height.....	6" (15 cm) 9" (23 cm) & 10" (25 cm) with invert adapter

### INFILTRATOR WATER TECHNOLOGIES STANDARD LIMITED WARRANTY

(a) The structural integrity of each chamber, end cap and other accessory manufactured by Infiltrator ("Units"), when installed and operated in a leachfield of an onsite septic system in accordance with Infiltrator's instructions, is warranted to the original purchaser ("Holder") against defective materials and workmanship for one year from the date that the septic permit is issued for the septic system containing the Units; provided, however, that if a septic permit is not required by applicable law, the warranty period will begin upon the date that installation of the septic system commences. To exercise its warranty rights, Holder must notify Infiltrator in writing at its Corporate Headquarters in Old Saybrook, Connecticut within fifteen (15) days of the alleged defect. Infiltrator will supply replacement Units for Units determined by Infiltrator to be covered by this Limited Warranty. Infiltrator's liability specifically excludes the cost of removal and/or installation of the Units.

(b) THE LIMITED WARRANTY AND REMEDIES IN SUBPARAGRAPH (a) ARE EXCLUSIVE. THERE ARE NO OTHER WARRANTIES WITH RESPECT TO THE UNITS, INCLUDING NO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

(c) This Limited Warranty shall be void if any part of the chamber system is manufactured by anyone other than Infiltrator. The Limited Warranty does not extend to incidental, consequential, special or indirect damages. Infiltrator shall not be liable for penalties or liquidated damages, including loss of production and profits, labor and materials, overhead costs, or other losses or expenses incurred by the Holder or any third party. Specifically excluded from Limited Warranty coverage are damage to the Units due to ordinary wear and tear, alteration, accident, misuse, abuse or neglect of the Units; the Units being subjected to vehicle traffic or other conditions which are not permitted by the installation instructions; failure to maintain the minimum ground covers set forth in the installation instructions; the placement of improper materials into the system containing the Units; failure of the Units or the septic system due to improper siting or improper sizing, excessive water usage, improper grease disposal, or improper operation; or any other event not caused by Infiltrator. This Limited Warranty shall be void if the Holder fails to comply with all of the terms set forth in this Limited Warranty.

Further, in no event shall Infiltrator be responsible for any loss or damage to the Holder, the Units, or any third party resulting from installation or shipment, or from any product liability claims of Holder or any third party. For this Limited Warranty to apply, the Units must be installed in accordance with all site conditions required by state and local codes; all other applicable laws; and Infiltrator's installation instructions.

(d) No representative of Infiltrator has the authority to change or extend this Limited Warranty. No warranty applies to any party other than the original Holder.

The above represents the Standard Limited Warranty offered by Infiltrator. A limited number of states and counties have different warranty requirements. Any purchaser of Units should contact Infiltrator's Corporate Headquarters in Old Saybrook, Connecticut, prior to such purchase, to obtain a copy of the applicable warranty, and should carefully read that warranty prior to the purchase of Units.
